Dear Sir:

It is a pleasure to respond to your request of the fifteenth. I am enclosing a brief circular regarding our Museum.

The annual dues are $5.00 and members receive our publications which usually are produced at a cost in excess of this sum. You also receive information regarding medals issued from time to time.

I am enclosing an application card and if you desire to enroll as an Associate Member I shall be very glad to present your name at the next meeting of our Council.

Very truly yours
